Reminder – Monday is a pupil free day, all staff will be attending a professional development program along with teachers from across the area. The school will be closed.

Principal’s Comments
This week our year four, five and six students along with Mrs Christian and Michelle attended a footy clinic held at Alexander Oval. Students participated in a circuit developing general fitness and football skills, and engaged with both coaches and league footballers. A great session was had by all. We had four swimmers head to Horsham on Tuesday for Zone swimming. All students are to be congratulated on their races. Students competed against students from across the Black Range and Little Dessert districts. To compete on the day each student had to meet specified qualifying times. Congratulations to all swimmers and thank you to Mr White, Sue, Tania and Shayna who accompanied the team and supported them throughout the day. In addition to these extracurricular sporting activities students continue to have access to lunch time sport with Mr Johnson on Wednesday, Thursday and Friday.

In addition to the various sporting events students attended throughout the week, our year five and six students attended a cyber-safety session run by Project Rocket. Students learnt about being cyber safe and were actively engaged in activities that helped build an understanding about what it means to be a cyber-safe young person in the world today. The evening program with parents focused on how to help your child be safe when online, knowing what your child is doing when online, and to monitor the games and sites they visit.

When visiting Learning Area 1 this week I was given a sample of the item they are preparing for our final assembly this term. It looked fantastic and I can’t wait to see the full performance! We hope everyone can attend this assembly – please mark it on your calendar.

The school council nominations are now closed and as the number of parent and DEECD nominations match the number of vacancies I am able to announce that our three new representatives to council are Jo Comber, Shayna Alexander and Colleen Quinliven. I would like to welcome Jo to council and both Shayna and Colleen for joining council for another two year term. Have a wonderful week. Judy Hilbig

Have a wonderful week

Wanted in the art room – wool scraps, fabric scraps, sewing bits and pieces – buttons, ribbon, thread, etc., Thank you.

LUNCH ORDERS
Lunch orders are available on Wednesday and Friday. Please help us by writing orders on an envelope and sending the correct money.

PARENT CONTRIBUTIONS 2015
Thank you to those families who have been in to either make payments or set up schedules with Sue. If you haven’t done so at this stage could you please see Sue.

Learning Area 2 measuring the diameter of a squash – how best to do that when in the garden!

Just how long is this zucchini?
