Go for a walk (GO WITH YOUR PARENTS) or just go outside to your backyard. Collect some LEAVES. When you get home, try a leaf rubbing:

**Leaf Rubbings**

Make colourful crayon rubbings of different kinds of leaves to come up with a beautiful nature-inspired picture.

#### SUPPLIES NEEDED

- Real leaves
- Paper (preferably thin or lightweight)
- Crayons or oil pastels or soft coloured pencils

#### STEPS

##### **Collect leaves.**

Collect leaves of various shapes and sizes. You can use fresh leaves or dried fallen ones.

---

##### **Position a leaf.**

Place a leaf with its bottom side facing up.

---

##### **Place paper over the leaf.**

Put a sheet of paper, preferably thin or lightweight, over the leaf.

### **Rub a crayon.**

Rub the side of a crayon or an oil pastel gently on the area over the leaf. As you do this, you'll see the coloured areas start to take the shape of the leaf.

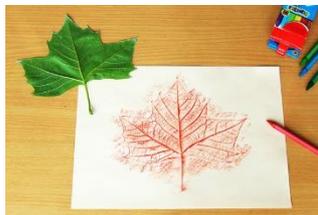

### **Rub over the entire leaf.**

Continue until you've rubbed over the entire leaf.

### **Remove the leaf.**

Remove the leaf from under the paper. This completes the basic steps for making a leaf rubbing.

## Make more leaf rubbings.

Make more leaf rubbings using other colours and different leaf shapes.

Overlap the leaf rubbings to create a stunning picture!

Write a list of ten Australian animals. Draw them too.

Colour in a picture.

Build something with Lego or other blocks.

Make your own snack/lunch and drink.

Make a door hanger.

Draw a picture of your backyard and label all the different things in it.

Free choice: find something for yourself to do. TV, iPad, craft, yoga, play with your brothers/sisters/pets.

Write a list of the things you did today. Bring it to your online class meeting.

Have a great evening and we will see you tomorrow on the Webex!
